SUPPLEMENTAL DETAILED ACTION

Information Disclosure Statement

The information disclosure statement filed August 15th, 2006 has been considered by the examiner.

Examiner's Reasons for Allowance

Claims 1-3 are allowed over the prior art of record.

The following is an examiner's statement of reasons for allowance:

As to claim 1, the prior art of record, taken alone or in combination, fails to disclose or render obvious a method for the detection and evaluation of the light generated in a fluorescing specimen by a short pulse laser comprising recording specimen light in a wavelength dependent manner with **at least one nondescanned detector as a reference spectrum**, and carrying out separation into individual spectra during the irradiation of at least two fluorophores and/or self-fluorescing specimens simultaneously from the measured spectrum and the reference spectra through regression analysis, in combination with the rest of the limitations of claim 1.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."
